

CURRICULUM VITA

NAME: Waseem Fadhil Mohammed Al-Tameemi

POST:

- **Professor in internal medicine, clinical hematolog & hemato-oncolgy.**
 - **department of medicine, college of medicine, Al Nahrain University.**
- **Former EXECUTIVE Dean, college of medicine, Al Nahrain University.**
- **Former Deputy Dean, college of medicine, Al Nahrain University.**
- **Former Head of Department of Medicine , college of medicine, Al Nahrain University**
- Consultant Physician in internal medicine
- Consultant hematologist.
- Member of MOHESR for expert professors in teaching for medicine
- Director of internal medicine Training center for candidates of Iraqi Board Committee of medical specialization (internal medicine)
- Director of Clinical Hematology Training center for candidates of Iraqi clinical hematology Board Committee of medical specialization (clinical hematology)
- Supervisor & Trainer in Arab Board committee for medical specialization
- Higher education Committee member of Iraqi clinical hematology board.
 - Al Kadhamyia teaching hospital (Emammain Kadhumain medical city).
- Member of institute board review (IRB) college of medicine, Al Nahrain University
- **Former-Editor-in-chief Iraqi journal of medical sciences**
- **Former Member of consultant committee for hematology – MOH**
- Former Member of consultant committee for stem cell – MOH
- Executive Member of Iraqi society of hematology
 - Member of ASH(American society of hematology)
 - Member of EHA(European hematology association)
 - Member of Arab society of hematology
 - Member of Saudi society of hematology
 - Member of editorial board of scientific journals

ACADEMIC QUALIFICATION:

- M.B.Ch.B 1996 Medical College, Al-Nahrain University.
- M.D In Internal Medicine 2001 Kufa University.
- F.I.C.M.S. In Internal Medicine 2002.(Iraqi Committee Of Medicine)

- C.A.B.M.S. In Internal Medicine 2004(Arab Board Committee)
- F.I.B.M.S. In Clinical Hematology For Adults 2007 (Iraqi Board Of Medicine)
- Lecturer staff of internal medicine department 2003
- Ass. Professor 2009
- Consultant internist 2012
- Consultant hematologist 2014
- Professor 2014

SPECIALISATION:

- Internal Medicine, Hematology, Hemato oncology, Al Nahrain Medical College.
- Consultant Internist Physician, Emammain Kadhumain medical city, Deprtement of Medicine.
- Consultant Hematologist. Emammein Kadumein medical city teaching hospital

EXPERIENCES:

- 1996-1998 Resident (Al-Kadhamiyia Teaching Hospital)
- 1998-2002 SHO Resident in Internal Medicine
- 2003-2004 Registrar Specialist Physician, Internal Medicine& Hematology
- 2004-2007 Participating Physician in Hematology unit, Baghdad Teaching Hospital & National Center of Hematology (for hereditary hemoglobinopathies& hematology oncology)
- 2004 Lecturer in Internal Medicine & Hematology
- 2007 Senior specialist Clinical Hematologist & Internist.
- 2008 supervisor for candidates of Iraqi Board & Arab Board of medical specialization
- 2008 Editor in Iraqi Journal of Medical sciences
- 2009 Assist. Professor promotion
- 2010 Member of lecturer qualification committee
- 2012 Consultant internist
- 2013 Co chairman department of medicine, medical college
- 2013 Member of student discipline committee
- 2013 Member of IRB
- 2014 Consultant hematologist
- 2014 Member of consultant committee for hematology – MOH
- 2015 Head of department of medicine , member of college institute
- 2015 Advisory board of Iraqi hematology journal
- 2016 Editor-in-chief Iraqi journal of medical sciences
- 2018 Elected an executive member for scientific affairs Iraqi society of hematology
- 2018 Member of expert teaching professors in medicine (MOHESR)
- 2018 Head of MOHESR committee for annual awards for academic research
- 2019 Deputy Dean college of medicine Al Nahrain University
- 2019 Dean college of medicine Al Nahrain University

SUPERVISION:

- Supervisor for 6 M.Sc. student

- Supervisor for 5 Ph.D. students
- Supervisor for 12 Board student
- Examining committee of many M.Sc. , Ph.D. and Board students

RESEARCHES:

1. First Presenting Feature in Patients With Bronchogenic Carcinoma.1996 (NOT PUBLISHED, done during MBCh B qualification)
2. A Relapsed Acute Promyelocytic Leukemia Treated With Arsenic Trioxide Alone. (PUBLISHED IN IRAQI JURNAL OF MEDICAL SIENCES ,2006;vol.5(2):97-101)
3. The relationship between leukocytes count & the clinical severity of presentation in patient with acute ischemic stroke (PUBLISHED in IMJ-Iraqi Medical Journal 54, 1, june 2008 10-15)
4. **Significance of Platelet Volume Indices in Patient with Coronary artery Diseases.** (PUBLISHED IN IRAQI JURNAL OF MEDICAL SIENCES ,2009;vol.7(1):76-81)
5. **The Significance of Estimation of Anti-Apoptotic protein in Acute Leukemia Cases.** (PUBLISHED IN MMJ- Mustansiriya Medical Journal ,April 2009;vol.8 (1):53-59)
6. **Influence of Thyroid Hormones on Hemoglobin A2 & F Expression.** (The New Iraqi Journal of Medicine Dec.2009;5(3):78-81)
7. **Thrombotic thrombocytopenic purpura.** (IMJ (Iraqi medical journal) Dec.2009;vol 55(1):1-6)
8. **Spirometry Abnormalities in Sickle cell diseases.** (the New Iraqi Journal of Medicine , April 2010;vol 6(1):38-41)
9. **Multiple myeloma with breast mass as extramedullary plasmacytoma.**(at Iraqi journal of medical sciences, April 2010)
10. **The association of radiological manifestations (by both X- ray & MRI) with the clinical presentation of multiple myeloma.** (Jordan Medical Journal 2012, 2,4)
11. **11. All Trans Retinoic Acid (ATRA) therapy in acute promyelocytic leukemia AML- M3 Results of treatment of 29 Iraqi adult patients with AML-M3 (the Iraq journal of community medicine)**
12. **splenic rupture ; first manifestation of CML patient** (at Iraqi journal of medical sciences, 2011)
13. **USE OF recombinant human Erythropoitein in treatment of pregnancy IDA(IMJ , Dec.2012)**
14. **Significance of Platelet indices in Patients with acute ischemic stroke.** (Iraqi journal of medical sciences, Dec. 2012)
15. **assessment of risk factors of development of post splenectomy pulmonary hypertension(Iraqi journal of medical sciences, april. 2014)**
16. **efficacy of combination R-LP as treatment line in CLL patients.** (Iraqi hematology journal july 2015 vol 4 issue 1 pp1-8)
17. **Electrophysiologic and clinico-pathologic characteristics of statin-induced muscle injury.**(Iranian Journal of Basic Medical Sciences, Vol. 18, No. 8, Aug 2015)
18. **assessment of some biochemical parameters to evaluate the endothelial function in patients with sickle cell disease.** Tikrit Medical Journal 2016;21(1):262-270
19. **The value of Oesophageogastroduodenscopy (OGD) in Assessment of Anemic Patients.** Iraqi JMS 2016; Vol. 14(1); 56
20. **Medical Ethics in the Glorious Qur'an and Holy Shari`ah.** Iraqi JMS 2016; Vol. 14(2); 96
21. **Cytotoxic effect of imatinib on the normal myeloid and cancer cells of patients with chronic myelogenous leukemia.** Iraqi Journal of Cancer and Medical Genetics. 2016; 9(1); 102
22. **Brachial Artery Diameter as a Predictor of Endothelial Dysfunction in Sickle Cell Disease.** Iraqi JMS 2016; Vol. 14(4):351-57.DOI: 10.22578/IJMS.14.4.8

23. Application of serum C-reactive protein in comparison with beta-2-microglobulin in patient with multiple myeloma. Iraqi Journal of Hematology - Volume 6, Issue 1, January-June 2017:6-11.DOI: 10.4103/ijh.ijh_3_17
24. **Statins for Endothelial Dysfunction in Sickle Cell Disease: A Cohort Study** .Journal of Applied Hematology 9 (1,), 16-21 1 2018
25. **Assessment of Bone Marrow Status in Different Hematological Diseases Using Diffusion Weighted Image (DWI)– and Apparent Diffusion Coefficient (ADC)–MRI Technique** . SN Comprehensive Clinical Medicine. <https://doi.org/10.1007/s42399-019-00067...> 2019
26. **Molecular detection of Toxoplasma gondii in a sample of Iraqi patients with acute leukemia and stem cell transplantation.** ... Iraqi Journal of Hematology 8 (1), 38-44 2019
27. **The role of estimation of beta –d-glucan in early diagnosis of fungemia in febrile neutropenic patients.** INTERNATIONAL JOURNAL OF RESEARCH SCIENCE & MANAGEMENT 5 (8), 98-105 2018
28. **Molecular Detection of Cytomegalovirus in A Sample of Iraqi Patients with Acute Leukemia and Stem Cell Transplantation.** Iraqi JMS 2018; Vol. 16(3) 16 (3) 2018
29. **Evaluation of heat shock protein 70 (HSP-70) & heat shock protein 90 (HSP-90) in diffuse large B-cell non-Hodgkin’s lymphoma patients.** Hematol Transfus Int J 6 (4), 125-128 2018
30. **Role of endothelial dysfunction in relation to prothrombogenesis in polycythemia vera.** Iraq Journal of Hematology 7 (1), 8-13 2018
31. **Assessment of Some Biochemical Parameters to Evaluate the Endothelial Function in Patients with Sickle Cell Disease.** Tikrit Medical Journal 21 (1), 262-270 2016
32. **Role of Human Parvovirus B19 in persistence anemia in a sample of Iraqi patients with acute Myeloid Leukemia.** September 2019 Biochemical and Cellular Archives
33. The Spectrum of Resistant Respiratory Infection in a Group of Iraqi Patients with Chronic Lymphocytic Leukemia. Indian Journal of Public Health Research & Development, October 2019, Vol.10, No. 10
34. THE ROLE OF ESTIMATION OF PROCALCITONIN IN EARLY DIAGNOSIS OF BACTEREMIA IN FEBRILE NEUTROPENIC PATIENTS. Biochem. Cell. Arch. Vol. 19, No. 1, pp. 731-736, 2019
35. Earlier detection of glomerular dysfunction in b-thalassemia major patients. Thalassemia Reports 2020; volume 10:9007:21-24
36. Blood cell activation as an indicator of prothrombogenesis in polycythemia vera: Case control study. 10.4103/ijh.ijh_10_19. Iraqi Journal of Hematology - Volume 8, Issue 2, July-December 2019

TRAINING & PARTICIPATION:

- Training Course Practice In Teaching Methodology .
- Training Course Practice In Windows&Other Computer Applications In Medicine.
- Speaker at Japanese society of hematology –77th annual meeting- 2015.
- Participation (speaker and Moderator of scientific session) as well as and member of preparation team for HOPE-MENA annual conference under collaboration with European Hematology association
- Participation of many annual EHA conferences
- Participation of many annual ASH conferences

- Participation In Many local , regional and international Medical Confernces &Work Shopes.
- Head of preparation team for College of medicine 10 th medical conference
- Head of preparation team of post graduate research conference , college of medicine
- Researcher In many Conferences of Al Nahrain Medical College.
- Researcher In many Scientific Conference Of Iraqi Medical Association.
- Researcher In many Scientific Conference Of Al Karakh Helath directorate
- Participation In CML Forum Of Middle East 2007,2008,2009.
- Participation In Iraqi Oncology Summit 2007,2008,2009.
- Participation In First Jordanian Hematology Conference 2009.
- Eha-Esh (European Hematology Association –European Hematology School). CME Courses at Beirut April 2010.
- International lymphoma group conference (Swiss-2013)
- Research author in conference of annual Iraqi society of hematology
- Research author in many conferences of national center of hematology
- Lecturer in many workshops, seminars, discussion loops in medical college & medical societies.
- Clinical Teaching Course (Stanford University, Al Nahrian University)2013
- Research author in different Mustansyria medical college conference
- Speaker in multiple work shop
- Local Advisory board Member
- Head of committee of ministry of higher education and scientific research for the annual award for academic research

AWARDS

- Award for the first rank professor of Al Nahrain University 2017
- Award for the first rank teaching professor , college of medicine 2013, 2014
- Award of PAN-ARAB hematology
- Award of ISOH Iraq society of hematology
